

**SPECIFICATION AMENDMENT**

Delete the title of the specification and replace the title with:

--METHOD OF REDUCING MATERIALS CONTAINED IN JUICE--

Insert as the first sentence of the specification:

--This application is a continuation of United States Application No. 10/125,120, filed April 15, 2002, now United States Patent No. 6,656,287 issued December 2, 2003. --
